August 16, 2019

Dear Parents, Families and Friends,

On behalf of the entire staff here at Loranger Memorial School, we would like to welcome our new third grade students, graduating class of 2029, as well as our returning 4th through 8th graders! We are all very excited for what the 2019-2020 school year will bring.

Let me begin by introducing myself. My name is Matthew Foster, and I will be your principal. I am so excited to be joining the Loranger educational community and am looking forward to meeting new faces and revisiting with those of you that I have met this summer. This is my first year as Loranger principal, previously I was the assistant principal at Newmarket Junior/Senior High School in Newmarket, New Hampshire. If you would like to know a little bit more about my background, please visit our website and check out the introduction video there! I am very excited to work together to make this a fantastic school year.

I would like to offer my sincere thanks to our custodial and maintenance staff. They have spent many hot and humid days cleaning and preparing the building for the school year. The same can be said about our amazing office staff. Ms. Cote and Ms. Reiff have been preparing schedules and taking in orders of new supplies, registering new students, and helping to ensure the efficient day to day operations at Loranger. Thanks to all for such a great and successful summer.

I have seen many of our amazing teachers and support staff in the building setting up student-centered classrooms, preparing learning materials, and reviewing data. They are all very ready for the start of the school year, as am I. I can not wait for classrooms and learning spaces to be filled with students on Wednesday, August 28th.

In closing, please remember that our open house is on Wednesday, September 11th. Final details are still being arranged, and it will resemble the open house of last year, which was very well attended! You will have a chance to meet your son or daughter's new teacher, enjoy some great food, socialize with other parents and faculty, and get some time to meet me. More details about the evening will be shared soon. We look forward to seeing you there!

Best wishes for a happy and successful school year.

Thank you.

Matthew C. Foster  
Principal, Loranger Memorial School
