November 28, 2020

Good evening Loranger Families,

I am following up with all 8th grade students and families in relation to the letter that Mr. Suttie sent earlier today. I want to start by saying that only students and staff that are considered close contacts are being asked to quarantine, and as Mr. Suttie mentioned in his letter, those that are deemed close contact will be notified of that from our Health Services Team.

Our purpose in having all 8th grade students utilize remote learning next week is due to the impact the exposure has had on our teaching staff, and our ability to maintain in person learning. Only a certain cohort of our 8th grade team has been deemed close contact and will need to quarantine. Again, those students and families will be notified in a separate communication directly from the health services team. All other 8th graders are remaining home so staff can still deliver academic content remotely. Below is the schedule that students will follow, which is very similar to the red plan schedule I have shared previously in my memo's.

This schedule will be used for the three in- person days that we will miss. (**Nov 30, Dec 1 and Dec 3**) **Wednesday, Dec 2** was a previously scheduled remote learning day.

8:30 - Morning Meeting - Students: please use the regular grade 8 meeting link that you use for Wednesdays

9:20 - Cohorted Allied Arts. It is a "**C**" **week** for Allied Arts, which is the same as the week before Thanksgiving. (Be looking for a link from your allied arts teacher in your child's Google Classroom)

11:00 - First Cohort Class of the Day (Be looking for a link from your teacher each day in your child's Google Classroom)

1:00 - Second Cohort Class of the Day (Be looking for a link from your teacher each day in your child's Google Classroom)

Students will be returning to in person learning on Friday, December 4th.

Sincerely,

Matthew Foster
Principal
