Parent and Student Information and Guidelines:

We are excited for the return of Spring sports at LMS. Spectators at home (baseball and softball only, all track meets are away) games will be allowed which will see for the first time in over a year the return of spectators. Remember that we still need to adhere to Maine CDC and DOE guidelines as fans.

Spectator Protocols

1. Masks must be worn at all times.
2. Social distancing is required (sit or stand only with those whom you dwell with) all others should maintain 6 foot distance between spectators/families.
3. After the conclusion of the contest please leave, do not wait or hang out to avoid congregating.
4. **Away venues** for games and track meets may vary in allowance of spectators, we will advise as we get their plans.
5. Our venues are well suited for these guidelines and our ultimate goal is to be sure we can have a fantastic spring season for our student athletes. **If consistent issues arise we reserve the right to close these venues to spectators.** We thank you in advance for your support of our athletes and your cooperation. **Reminder we DO NOT allow dogs at our venues.**
