George Shabo Athletic Director

All student athletes must complete the online at Home Baseline Impact Testing in order to participate in competitive athletics. Follow the directions listed below. Completed tests will be shared directly with the RSU23 Athletic Trainer for approval and monitoring.

1. You will need a desktop computer/laptop with an external mouse. **DO NOT USE A TRACK PAD OR AN iPad.**
2. You will need a quiet area for about 25-45 minutes.
3. Log on to www.impacttestonline.com/testing
4. Enter the MCMI Customer Code: **E77BF97333** (not case sensitive) and then click **“VALIDATE”**.
5. A tab will open that reads **“Select Your Organization”**.
 - a. Click on the tab and scroll down to **“OLD ORCHARD BEACH HS MS”**.
 - b. Click **“LAUNCH BASELINE TEST”**.
6. Make sure **Pop-up Blockers** are disabled or the test will not launch.
7. Follow the directions on the screen
 - a. If this is your first baseline test with Loranger, **FILL OUT ALL DEMOGRAPHICS.**
 - b. If you have taken the baseline test at Loranger in the past and have filled out the Demographics, you can skip that part when prompted.
8. Proceed to the Baseline Impact Test
 - a. Read all directions before each module carefully - these are important and some modules are repeated.
9. Tests will be reviewed by our Athletic Training staff. Invalid baselines will need to be repeated. If you have any questions or troubles contact the RSU23 Trainer Josh Woodward at jwoodward@rsu23.org.
