Dear Loranger Memorial School Families,

## **It's time to start planning for the 2021-2022 School Yearbook!**

We need your help! Create an account and start sharing your students' photos!\*(  
(Make sure to include your student's name and grade.)

Also we're collecting 8th grade baby pictures!

This year we are using the TreeRing Yearbook company to help us publish the Yearbook. Check out this [video](#) to learn more about TreeRing. And how you can create custom pages for your student. Each student is allowed to create two pages of their very own, that will get printed only in their yearbook. **FREE!**

Here's helpful information about:

1. [How to create an account.](#)
2. [How to upload photos.](#)
3. [How to create custom pages.](#)
4. [How to use the iPhone and Android TreeRing Apps.](#)

*\*Not all uploaded photos are guaranteed to be included in the yearbook.*

*Consider creating custom pages in your students yearbook to ensure your photos get printed in your yearbook.*

I'm happy to answer any questions or concerns you may have, and look forward to an exciting 21-22 Yearbook!
