Good morning LMS families,

What a great farewell week we have had here for our students and our staff. Our grade 8 promotion ceremony was amazing last night. Thank you to all who helped make it such a wonderful evening. We've had so many great things happening to celebrate such a successful school year. This morning we had a step up day for all of our students and we welcomed the upcoming third graders, the class of 2032! Wow. It was a great experience, and we are excited to have them with us next year. We will not wish away our summer vacation though!

REMINDER: Today is a half student day! We are also preparing digital report cards to be sent home this afternoon, so be on the lookout for those.
